

Primrose Moth*

Moth Night 2015

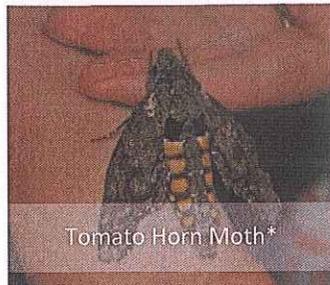

July 22, 2015 from 8:00 pm – 12:00 am

At the Liberty Township Municipal building, Located at 349 Mountain Lake Rd., Great Meadows, NJ 07838

Did you know that there are 10x more species of moths than butterflies? Come and learn about these hidden beauties in nature!

- * Learn about moth lifecycle, habitat, and identification
- * Hands-on moth identification at night through bait & light stations
- * Learn about macrophotography and how to take the best photo on any camera
- * Learn about native plants and their importance to moths

This event and parking is FREE and open to all ages.

Tomato Horn Moth*

Moth Night is an event in conjunction with National Moth Week. A partnership event brought to you by the Liberty Twp. Environmental Commission, Mansfield Environmental Commission, and a whole host of generous experts, volunteers and moth enthusiasts.
